

## PRESIDENT'S CORNER

Hello All,

As we close in on the end of 2017 and look forward to 2018, I would like to share with everyone some of the happenings within the Club.

Our January 2018 meeting will be a potluck holiday meal at 6:30 pm, with a short meeting to follow. We ask that everyone please bring a dish to pass. Last year we did this same thing and it worked out quite well and we thought we would try it again this year.

The Club is working on updating our current membership roster. If you have any updates to your address, phone number, or would like to add an email address, please contact Fred Schwartz to get your information updated. E-mail is a very powerful way of communication today.

The change to our by-laws this year called for the Election of Officers to be held in October. The officers for 2018 are: Paul Mantey, President, Jim Schwartz, Vice President, Robert Musgrave, Secretary, Bill Herried, Treasurer. Board Members are: Ray Lazarski, Gary Robers, Jerry Lebrick, Jarred Brever, Brian Neumeier, and Cody Lamarr, who is filling the vacant position due to the resignation of John Kester.

We made it through our 26<sup>th</sup> Annual Show, undoubtedly one of the warmest weekends ever for our event. This year we saw the tractor pull move to Saturday afternoon and we did not rent Old Settlers Park on the north side of the grounds. These changes did have their challenges, but we will work on improving them for next year.

The 2018 feature will be Steam and Belt Power. We are looking for members that would be interested in serving on the committee. There are many ways that you can be a valuable asset to his committee. If you are interested, please contact me at 262-210-1481.

There will be a few changes for our 2018 Show. The two biggest changes are that the Saturday Evening Meal will be moved to Friday evening in order to move the Tractor Pull to Saturday evening. We had moved the tractor pull to Saturday afternoon for the 2017 show, which left a shortage of manpower on the grounds for the show itself. After discussion at the general membership meeting, it was decided to move the tractor pull to Saturday evening. Stowell's Catering will be available and will cater the Friday Evening Meal.

Our show feature in 2019 will be the Gathering of the Orange. A feature committee has been formed and if you would like to be part of the committee, please contact myself and I will get you invited to upcoming committee meetings.

Thanks for all you do to help make our club a success!!

Happy Holidays to all!!

Paul Mantey
